**ORDER**

This matter comes before the Court on Plaintiff's Unopposed Motion to Order Release of Documents ([Filing No. 62](#)). Plaintiff seeks a Court Order directing the Nebraska Department of Corrections to release certain records pursuant to Neb. Rev. Stat. § 83-178(2). No party objects to the Court issuing such order. After review of the motion, attachments, and requested records, the Court finds good cause to issue such order. The parties also request that the Court enter a Protective Order governing the disclosure of confidential discovery material during this proceeding. The Court will grant that request and enter the Protective Order separately. Accordingly,
